**ORDER**

**THIS MATTER** is before the court on plaintiff's Motion for Reconsideration. Having considered plaintiff's motion and reviewed the pleadings, and it appearing that plaintiff has provided the court with no plausible legal or factual basis for reconsideration of its affirmance of the Memorandum and Recommendation of Judge Keesler, the court enters the following Order.

**ORDER**

**IT IS, THEREFORE, ORDERED** that plaintiff's Motion for Reconsideration (#26) is **GRANTED**, and having carefully reconsidered the M&R of Judge Keesler in light of the plaintiff's motion, the court reaffirms its earlier Order adopting the recommendation of the magistrate judge.
